

Material Disposal Rules

- You must check in at scale house or in retail store to have loads inspected.
- You must arrive during normal business hours. No earlier or later.
- NO MIXED LOADS! All materials must be separated so they can be disposed of in the appropriate piles.
- There must be absolutely NO TRASH/CONSTRUCTION DEBRIS in your loads. If trash is found, you will be asked to remove it. You may lose the privilege of disposing of materials in the future.
- NO LANDSCAPE TIMBERS OR RAILROAD TIES
- NO CLAY BRICK
- NO JAPANESE KNOTWEED (Bamboo)
- If a season pass for Grass and Leaves ONLY, is obtained, pictures of each truck will be needed. PSG dumping stickers will be given to the paid customer for each vehicle only valid for that season.
- Please contact our sales staff for a complete listing of all the materials we accept for disposal.

Have a great season and thank you for your continued business and support!
